

Your Memories. Crafted.

For the first time, ShoreStation offers a Hydraulic PWC lift with the same superior reliability, premium performance, and ultimate convenience as our larger hydraulic lifts! Designed to handle some of today's largest personal watercraft available, our PWC Lifts support crafts up to 1,500 lb. ShoreStation PWC Lifts get you on and off the water quickly and safely, allowing you more time to perfect your craft.

NEW!

HYDRAULIC POWER PACK

The corrosion free powder-painted aluminum box protects the hydraulic pump and battery from the elements. Featuring a hinged lid for easy access, it mounts securely on the lift tube or can be placed on the dock with optional hydraulic hose extension kits.

Choose From 4 Different Styles

SSV1564HY

OTHER LIFT MODELS AVAILABLE IN
HYDRAULIC, ELECTRIC AND MANUAL.

VERTICAL

SSV1564HY

Our vertical lift design can handle deeper water and your largest Personal Watercraft – up to 5'6" water depth and 1,500 lb. capacity.

- **NEW! Now available with ShoreStation's legendary Solar powered Hydraulic lift system**
- Comes standard with 2 wireless remote controls for effortless lifting
- "V" cradle design for shallow water operation
- Self-adjusting pivoting UltraBunks safely cradle watercraft's hull
- Manual also available

CANTILEVER

SS10621ED

This aluminum constructed cantilever style PWC lift can handle watercrafts up to 1,000 lb.

- 30" operator's wheel and brake winch provides safe, smooth operation
- Heavy-duty aluminum frame and posts for larger watercrafts
- Self-adjusting pivoting UltraBunks cradle watercraft's hull
- Also available with 4 legs for deeper water or optional canopy
- Choose from electric or manual

CANTILEVER TWO-PLACE

SSD10521

This is no ordinary boat lift. The two-place Free-standing PWC lift has space for two 1,000 lb. machines.

- Independently operated lift platforms and operator's wheel with brake winches for smooth operation
- Self-adjusting pivoting UltraBunks cradle watercraft's hull
- Designed for years of dependable service with corrosion resistant aluminum construction, thermoplastic pulleys and stainless steel bearing surfaces
- Also available with an optional canopy
- Choose from electric or manual

DOCK MOUNT

SS1053ED

This Aluminum Dock Mount lift features a space saving footprint and convenient boarding access from the dock for up to 1,000 lb.

- Mounts to ShoreStation Classic Sectional Dock or most standard docks
- Geared brake winch with nylon strap and level-lift cable provide safe, unbinding up-down operation
- UltraBunks provide solid support
- Choose from electric or manual
